Installation Guide: SAP GUI 7.50 Java for Mac OS

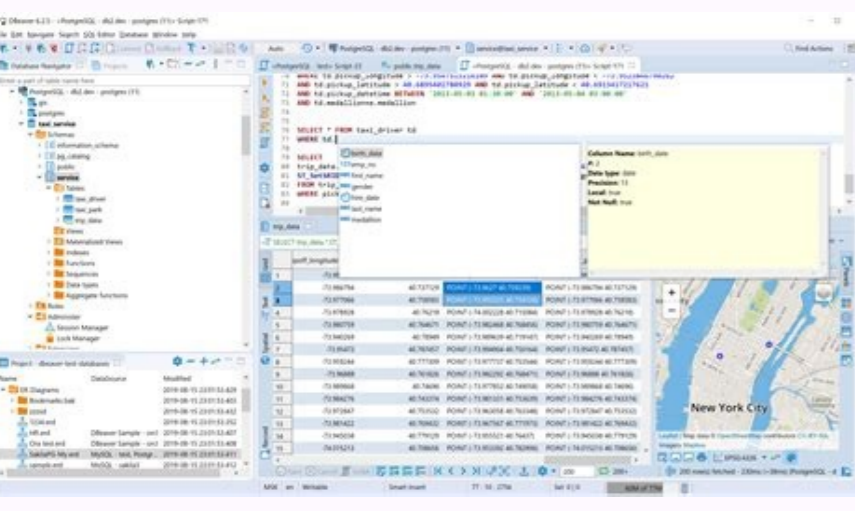

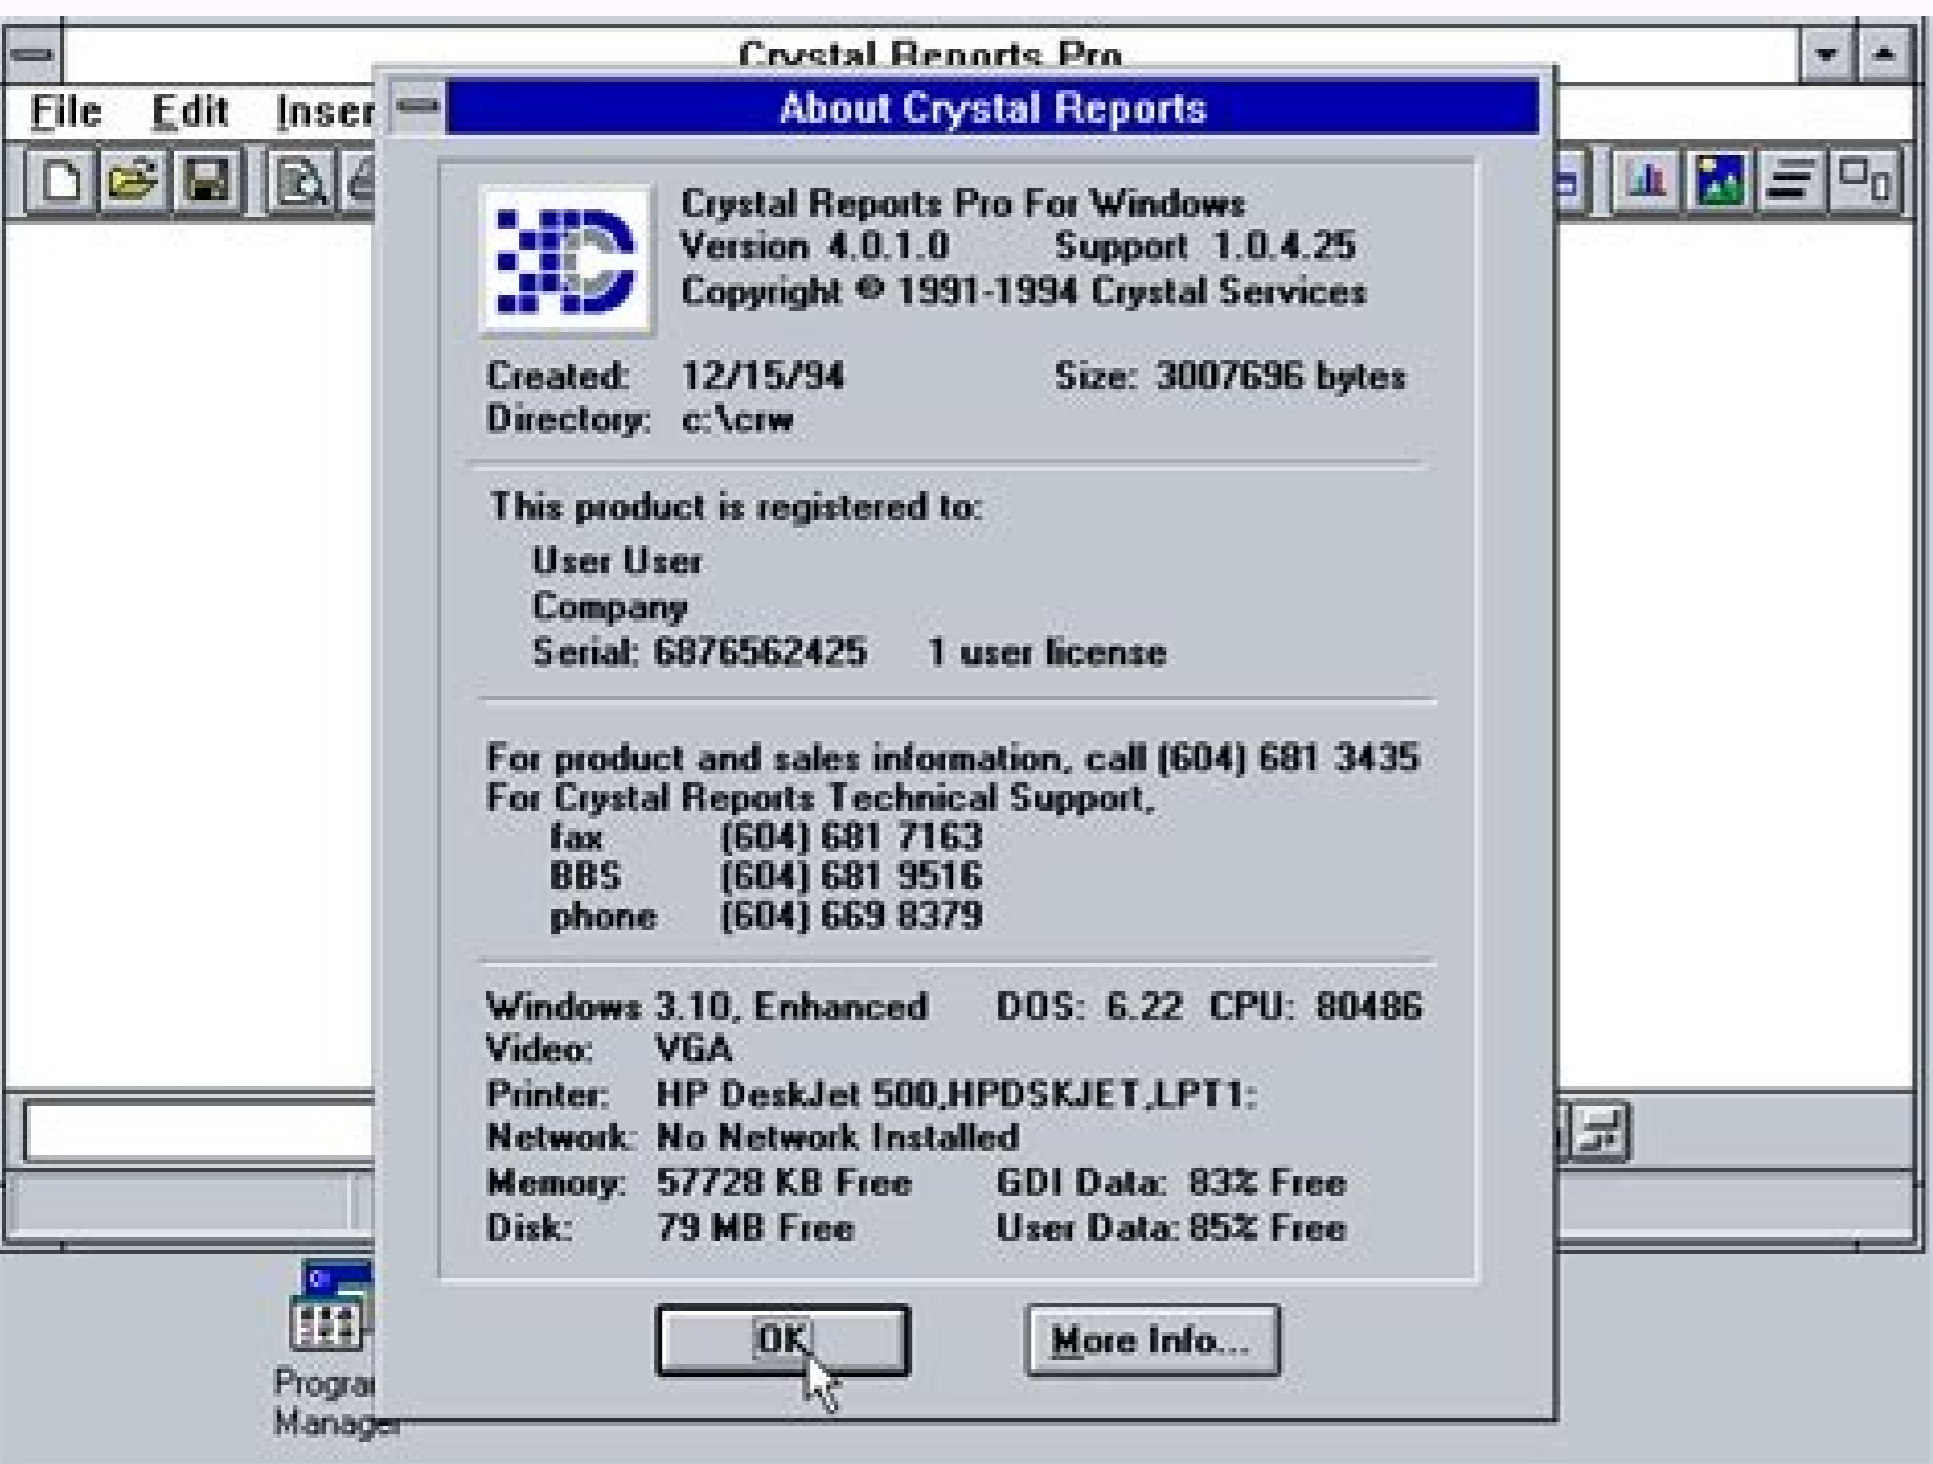

- Notes:
- This document is based on the Mac OS Sierra (10.12.6) operating system with Java JDK 8 – Update 144 installed.
 - The filenames of the Java JDK and SAP GUI may differ than those shown in the screenshots.
 - The Java JDK is required. This is different than the JRE.

Install the Java JDK

1) Visit <http://www.java.com/jdk>

2) Click on go to JDK downloads.

You can call the Customer Interaction Center, or via other methods shown here: . Each individual user using SAP Crystal Reports Client thru Citrix will require a named copy of SAP Crystal Reports. How do I learn what the product does? You can visit this page for a guided introduction to SAP Crystal Reports: ♦ Explain to me what Crystal Server does; how does it work, what's it good for? You can visit this page for a guided introduction to SAP Crystal Server: ♦ Are there any guides available to get me started for certain aspects of using Crystal Solutions? Yes. To learn more, refer to this blog: SAP Crystal Reports Engine in a Multi-Threaded Visual Studio Application What is SAP Crystal Reports, Developer edition? Up until SAP Crystal Reports 2008 (version 12), there were three different editions of SAP Crystal Reports available: Standard, Professional and Developer. There is no need to inform SAP of the change, but you will need to remove the software and license from the original license holder's computer to install to the new user's computer to ensure license compliance. How to handle SAP Store user registration issues? When logging in, only use ** enter USER ID here ** - please do not use an email address to log in. Ensure you are using a basic web browser (i.e. one that does not save web browsing data - like Google's Incognito mode or Firefox's Private mode). Clear your Java and browser cache / cookies history. If there is an SSO (Single Sign On) active on your computer you can either turn it off temporarily or use another computer or smart device to log on. Check your spam folder in case you have asked for a password reset. I just made a purchase of Crystal Server through the SAP Store. SAP Crystal Server distributes reports by pushing reports out, for example as a scheduled email attachment. It is also worth noting that data connections will need to be updated to use 64-bit data connections: ♦ Can I use an old report with SAP Crystal Server 2020? It is recommended to migrate the report to be the same version as Crystal Server. SAP Crystal Reports runtime engine for .NET Framework is a Shareware software in the category Business developed by 02.01 SAPGUI 6.20. It was checked for updates 2,136 times by the users of our client application UpdateStar during the last month. The latest version of SAP Crystal Reports runtime engine for .NET Framework is 13.0.5.891, released on 09/26/2016. It is best to check with the developer of the application for their recommendation. How are versions of SAP Crystal Reports different? Click on this link to view a comparison document: s the supported platform information for SAP Crystal Reports 2020? Click on this link to view the SAP Crystal Reports 2020 Supported Platforms (PAM) Where's the supported platform information for SAP Crystal Reports 2016? Click on this link to view the SAP Crystal Reports 2016 Supported Platforms (PAM) Can SAP Crystal Reports 2020 be installed to a virtual environment? Yes, see page 9 of the SAP Crystal Reports 2020 PAM for details. The people who log on to the portal provided by SAP Crystal Server to access pre-built content are usually end users, business users, and management; in other words, consumers of reports who want answers to business questions already asked on their behalf (by those who created the report with SAP Crystal Reports). Do you have some use case scenarios? You can view summary videos for these hypothetical use-cases: grocery store, car dealership, manufacturer, small office, mobile worker, government entity. Who makes SAP Crystal Reports? Starting with Quick Reports for Windows 1.0 in 1992, the makers of versions of Crystal Reports have been Crystal Services (from 1992), Seagate Software (1994), Crystal Decisions (2000), Business Objects (2003) and now SAP (2008). How many people are using Crystal products? More than 1,000,000 users worldwide are using Crystal products on a regular, ongoing basis. What is the history of Crystal solutions? You can find more details on the last 30 years here: ♦ I know the functionality I need. Compatibility Is SAP Crystal Reports backwards compatible? Yes. Check with your vendor/developer on your application's compatibility with version 14.3 report files saved by SAP Crystal Reports 2020. Can I use my existing reports from an older version of SAP Crystal Reports? Yes, probably. Publishing to an unlimited number of unique recipients is included with SAP Crystal Server 2020 CAL. What is included in the Crystal Server 1 NUL License? The SAP Crystal Server 1 NUL license includes 1 named user license of SAP Crystal Server 2020 and 1 license of SAP Crystal Reports 2020. See the SAP Crystal Reports for Visual Studio Supported Platforms and this Microsoft announcement. I have a web application running PHP. That individual as the Named User License holder may install the software to any number of computers (including concurrently), any number of times for their exclusive use with a valid, non-expiring license code; a Named User License cannot be shared with another individual. * SAP Crystal Reports 2016, (32-Bit) Named User License: The desktop products SAP Crystal Reports is sold on a Named User License basis; one unique license is required for each person using the software. For users of SAP Crystal Reports 2011, SAP Crystal Reports 2013, or SAP Crystal Reports 2016, software for these earlier versions will need to be uninstalled before SAP Crystal Reports 2020 is installed to the same computer. Do I need to reference my older version of SAP Crystal Reports as a prerequisite to install my purchase of SAP Crystal Reports 2020 as an upgrade, such as on a new computer? No. SAP Crystal Reports 2020 purchased as an upgrade installs as a new application and will require only an SAP Crystal Reports 2020 keycode to complete the installation. Can I buy an upgrade to SAP Crystal Reports 2020 and give my old version to someone else to use? No. As the named user license holder of an older version, you cannot reassign the upgrade license to a different end user. How can I figure out what SAP Crystal products will meet my requirements? Use our configuration tool to identify which SAP Crystal Solutions are needed. How do I get in touch with someone? Best is to use sapdigitaldeals@sap.com. SAP Crystal Reports XI Developer edition remains available and does everything that Standard and Pro could do - and more. What is version 13 of SAP Crystal Reports? SAP Crystal Reports for Visual Studio and SAP Crystal Reports for Eclipse share the designation of version 13 of the SAP Crystal Reports product family. Licensing determines access to the interfaces where documents are shared, available for viewing: BI Launch Pad, SAP Mobile BI app. The report will save as a SAP Crystal Reports 2020 (version 14.3) .rpt file. Third-party applications Three D Graphics Crystal Reports Chart Upgrade your Crystal Reports experience with a host of new chart types and over 150 programmable graph macros. Office 365 support is only for the version of Microsoft Office being supported). - Microsoft .NET Framework 4.6.2, 4.7.1, 4.7.2, 4.8- SAP GUI 7.60- Flash is no longer supported since Dec 31, 2020 What are the hardware
